Starting the CBC journey of 2014–16

- Ensure continuity, building on existing foundation laid by Morocco
- Identify capacity building gaps and overlaps
- Operate with strategic intent

- Engage constructively with Regions
- Enhance communication
- Closer cooperation between CBC and IDC
Cooperation for enhanced stakeholder value

- Regular engagement between PSC, CBC and KSC
- Various joint initiatives
- Updates to FAC and Task Force on Strategic Planning

- Regular consultation with General-Secretariat
- Advice from Goal 2 Liaison (GAO)
A need for competency standards and guidance

- Standards and guidance essential for professional competency development
- Request for CBC to lead investigation into competency-based development for INTOSAI auditors
- Another opportunity for intensifying cooperation –
  - IDI
  - Goal committees
  - Regional organisations
- 2016 – first proposed Competency Framework for Public Sector Audit Professionals
- 2017 engagement with FIPP
CBC and Regional Organisations

- Beijing 2013 identified need for stronger inter-regional cooperation
- Regional organisations all members of the CBC
- Lima 2014 identified need to explore regional professionalisation
- Stockholm 2015 — 1st draft *Framework for Regional Professionalism*

Regional Forum on Capacity Development
CBC and INTOSAI-Donor Cooperation

- Similarity of purpose: strengthening SAIs in developing countries
- Need for closer cooperation identified by both CBC and IDC
- 1st Contiguous meeting, Cape Town, October 2016
  - Need for enhanced general cooperation, information-sharing, joint advocacy, etc
  - Special focus on SAIs in fragile situations
  - Continued engagement on SAI performance measurement
Cooperation with the global profession

• Valuable insight already gained in informal discussion with global accounting and auditing profession

• Leveraging from existing wisdom and good practices holds many benefits

• Responsibly explore possibility of partnering
Conclusion
