The journey from 2014 to 2016

INTOSAI TGIAC

5 October 2016
Strategic context

“Strengthen structured INTOSAI professional development as an anchor for professional capacity development and potential INTOSAI certification”

(INTOSAI strategic plan 2017 - 2022)
Positioning CBC’s work regarding professionalisation

- Broad positioning and “understatement test”
- Leading by example
- Global profession, local solution
- Professional pronouncements on auditor competence

“The enabling mechanisms required to facilitate and structure professional development at SAI level (position paper)”
Positioning CBC’s work regarding professionalisation

- Regional professionalism / prioritisation on service offerings
- Core competencies for audit professionals
- Partnering for success
- Looking forward
Necessary building blocks to consider at INCOSAI

- SAI PMF implementation
- Professional pronouncements on auditor competence
- Formal partnering in the broader international accounting and auditing community
- Implement framework for regional professionalism
- Further work on competency-based professional development
Competency-based professional development

“Let’s meet Livhu!”
A last building block to consider at INCOSAI

“...take note of and support this INTOSAI competency framework as a basis for further discussion and refinement of concepts related to professional development to the point where INTOSAI will see a set of professional pronouncements on auditor competence in the next three to six years, and where the development of specific professional development options based on this core competency framework, including auditor certification, can become a reality”
