

Work Stream meeting: SAIs in fragile situations

Time: 18 September, 11.00-12.30

Main purpose: To inform and discuss research done on challenges and opportunities for SAIs working in fragile contexts, and formalize the project group

Agenda

Open to all (45 minutes)

1. Short introduction to the session and to the work stream – Mr Oskar Karneback, SAI Sweden
2. Short introduction to the research done – Mr David Goldsworthy, consultant
3. Introduction to the Discussion Paper for the synergy workshop to follow – Ms Silvia Stefanoni, consultant
4. Discussions based on the points for reflection in the paper circulated for the Wednesday synergy session – Mr David Goldsworthy
5. Input from IFAC on their work to strengthen professional accounting organisations in fragile situations – Ms Alta Prinsloo, IFAC
6. Summing up/conclusions – Mr Oskar Karneback

Administrative part, primarily for work stream members (45 minutes)

1. Introduction of work stream members
2. Discussion of work stream terms of reference and working methods
3. Discussion of how to manage the outputs from the synergy session and feed into priorities of the work stream
4. Discussion of roles and responsibilities
5. Decision on next meeting (skype/telephone)
