| Share capacity development insights and ensure responsiveness to SAI needs through, for example, communities of practice. | Share knowledge and experiences in the field of capacity development through, for example, the CBC website, the International Journal of Government Auditing, occasional papers, and international conferences | **CBC website continuously updated with:**  
- News items related to INTOSAI capacity development initiatives.  
- Relevant posts from CBC stakeholders and partners.  
- 8-10 blog items published per year.  
- Work stream and regional pages updated.  
- Document library makes available relevant CBC guidance and reports as well as other documents submitted for publication. | **Progress to date:**  
- CBC website is continuously updated and developed.  
- Articles and blogs are made available for the benefit and inspiration of CBC members and stakeholders  
- CBC work streams’ pages are reasonably updated.  
- INTOSAI Regions’ pages require further work.  
- CBC document library was damaged by a hacker and reconstruction is still needed.  
- Partnership with INTOSAI-Donor Cooperation to share relevant information to joint membership.  

**Key next steps / action items:**  
- Continue to solicit contributions by the CBC membership and partners.  
- Document library to be reconstructed and supplemented.  

**Key risk(s):**  
- Hacking of the website. **Mitigating action:** Increased security for all submissions. No opportunity to engage in dialogue on the website.  
- Website not used/considered relevant. **Mitigating action:** Efforts to broaden subscription combined with Newsletter from the website to encourage use.  
- Contributions from members and stakeholders not forthcoming. **Mitigating action:** Editorial board and regular contact with regional representatives and work stream leaders to encourage contributions. |
