

CBC work plan 2020-22

Regional Forum for Capacity Development (CBC South Africa)

Proposal to CBC Steering Committee, 3 July 2019

Strategic objective (as per SP 2017-22)	Strategies & initiatives (as per SP 2017-22, and work stream ToR)	Performance / progress indicator	Key initiative / action items, timing, and risks
<p>Support the development of capacity at both the SAI and regional level. [Strategic Objective 2.3]</p> <p>Share capacity development insights and ensure responsiveness to SAI needs through, for example, communities of practice. [Strategic Objective 2.4]</p> <p>Identify capacity development challenges and opportunities in order to facilitate access to solutions, including accessing the IDC [Strategic Objective 2.1]</p>	<p>Provide a regional community of practice – the Regional Forum for Capacity Development (RFCD) – to share and address issues relating to regional capacity development and regional professionalism at a cross-regional and strategic level [CBC Key Strategy #2]</p>	<p>Annual meetings of the <i>Regional Forum for Capacity Development</i> (RFCD) and the <i>INTOSAI-Regions Coordination Platform</i> (IRCD) that continue to leverage and facilitate cooperation and professionalism among INTOSAI’s regional organizations, involving all relevant stakeholders.</p>	<ol style="list-style-type: none"> 1) Use the 2020-2022 meetings of the RFCD for three more regions to report on their successes at increasing their professionalism and enhanced support to their member SAIs (in terms of the <i>Framework for Regional Professionalism</i>). <i>Risk:</i> Loss of focus on the key aspects required for regional professionalism. <i>Mitigating measure:</i> Close contact with, and support to, the general secretariats of the regions regarding the application and interpretation of the <i>Framework for Regional Professionalism</i>. 2) At every RFCD meeting (2020-2022), create a space for exchange of ideas about current strategic issues affecting regional organizations, and explore workable solutions, involving all relevant stakeholders. <i>Risk:</i> The dialogues become talk-shops without fruitful resulting action. <i>Mitigating measure:</i> Ensure proper preparation/quality inputs, focused discussions, and agreement on workable follow-ups. 3) Ensure that the agenda of the 2020-2022 INTOSAI-Regions Coordination Platforms continues to focus on increased coordination of INTOSAI-wide efforts aimed at addressing the current regional and SAI-level capacity development challenges. <i>Risk:</i> Ineffective follow-up of key issues identified at the annual coordination meetings. <i>Mitigating measure:</i> A bi-annual progress-assessment meeting by CBC and IDI as conveners of the IRCP.
