

CBC Work Plan 2020-2022

Workstream Peer-to-Peer (P2P) cooperation

Related Strategic objectives

2

Strategic objectives as per INTOSAI's Strategic Plan 2017-2022:

INTOSAI Strategic Objective 2.1

Identify capacity development challenges and opportunities in order to facilitate access to solutions including accessing the INTOSAI-Donor Cooperation

INTOSAI Strategic Objective 2.4

Share capacity development insights and ensure responsiveness to SAI needs through, for example, communities of practice

CBC Key Strategy #9

3

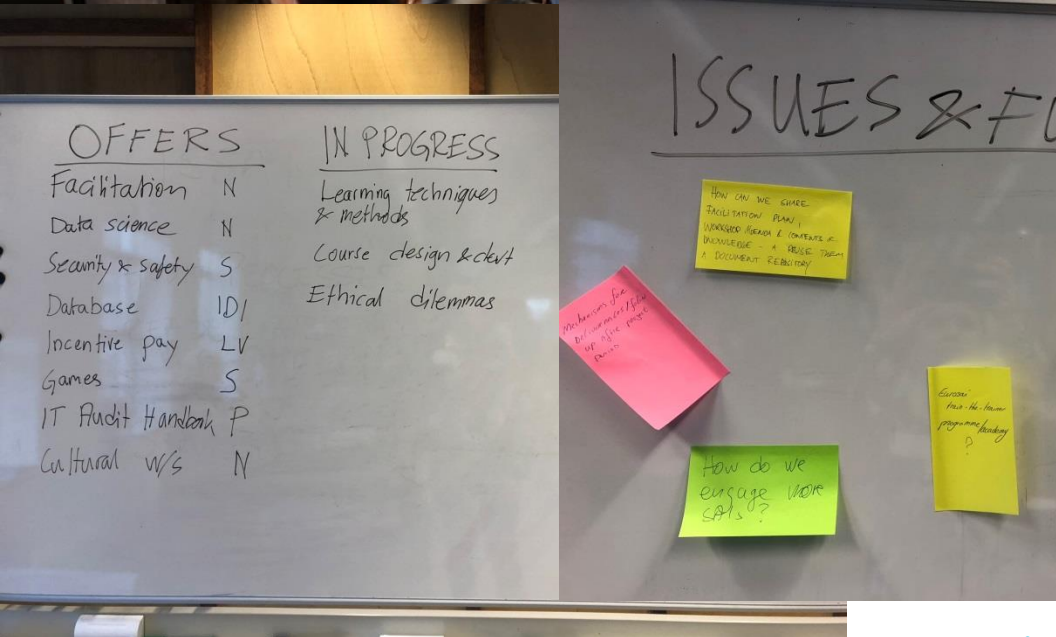

Support and promote medium to long term peer-to-peer cooperation between SAIs in support of institutional capacity development.

Developments to date

- September 2018:** CBC's annual meeting in Kuwait where medium and long term peer-to-peer cooperation was a theme;
- October 2018:** New work stream on peer-to-peer cooperation introduced (including its own section on the CBC website);
- February 2019:** EUROSAI workshop on peer-to-peer cooperation (the Hague) with representatives from eight EUROSAI member SAIs and the IDI;
- June 2019:** The Netherlands Court of Audit (NCA) agreed to coordinate and chair the CBC P2P work stream (maximum of 45 working days per year);
- September 2019:** Draft working program discussed in the CBC meeting at INCOSAI (next step: submit for formal approval to the CBC Steering Committee).

Objectives of the CBC P2P work stream 2020-2022:

6

1. Quality: To identify and share good practice in peer-to-peer cooperation
2. Quantity: To increase the number of SAIs engaged in facilitating P2P cooperation

Identify and share good practice in P2P cooperation:

7

1. Further develop the INTOSAI CBC/P2P webpage as a landing page for knowledge sharing around P2P cooperation;
2. Explore opportunities to capture *and* repurpose existing insights and best practices on P2P cooperation in blogs and articles on the CBC website, the INTOSAI Journal and elsewhere;
3. Coordinate a follow-up P2P capacity building workshop.

Increase the number of SAIs engaged in P2P cooperation:

8

1. Identify interested new (or less experienced) peer-to-peer providers;
2. Coordinate a training event for interested new (or less experienced) P2P providers;
3. Coordinate the development of a P2P Cooperation Guide (based on the project cycle) with a select number of providers (including new P2P providers).
