June 2022

To: Heads of SAIs

Subject: Call for volunteers to contribute to the quality of INTOSAI's standards

Dear colleague,

The international standards for public auditing are one of INTOSAI's most important and visible outputs. Standard setting activities are carried out by the three Goal Chairs, under the coordination of the Professional Standards Committee (PSC). The FIPP - Forum for INTOSAI Professional Pronouncements – has a key role to play in ensuring the quality of the standards.

FIPP is a multicultural group composed of 16 expert members from across the SAI community, who voluntarily dedicate time and expertise to contribute to ensuring clear, relevant, and robust standards.

We are now looking for experienced auditors, with an interest in contributing to standard setting at the highest level, to apply to join the FIPP. Successful candidates will have:

- **strong technical knowledge in one or more of the public audit fields, especially IT audit;**
- **understanding of the importance of clarity in presentation and good knowledge of English; and**
- **experience in applying international auditing standards in practice.**

We have one vacancy open to join the FIPP from January 2023 for a three-year period with the possibility of renewal. It is a demanding role which requires a significant work commitment of around 300 hours annually, as well as participation in an average of 6-8 online meetings and possibly 1 in-person meeting (usually last for a week) a year.

We interview each candidate in order to explore their experience, knowledge and motivation. Overall, we aim to ensure that FIPP has the best balance of knowledge, skills and expertise, as well as broad representativity from across the INTOSAI world. As demand is high, not every candidate can be successful. However, it is possible for unsuccessful candidates to apply again, as priorities may

change from year to year requiring adjustment to the composition of the Forum. Further details on the application process are given in Annex II to this letter.

We wish to receive applications from the widest possible range of candidates. The deadline is **30th June 2022**. Should you or your team have any questions on either the role or the selection process, then please do not hesitate to contact the PSC secretariat (psc@tcu.gov.br) or the FIPP Chair, Ms Åse Kristin Hemsen (akh@riksrevisjonen.no).

We look forward to hearing from you.

A handwritten signature in black ink that appears to read "Bruno Dantus".

Minister Bruno Dantus

Chair of the PSC on behalf of the PSC, CBC and KSC
