

Key to progress indicator colours (use when reporting)

	Initiatives / projects on schedule
	Initiatives / projects behind schedule
	Delayed owing to reasons beyond control
	Serious difficulties being experienced
	Not yet scheduled to start
	Initiatives / projects completed

CBC planning and reporting dashboard 2023-25

Workstream on Auditing in Complex and Challenging Contexts (ACCC)

(Swedish National Audit Office, SNAO)

May 2023

Goal 2 strategic objective (INTOSAI SP 2023-28)	Workstream objectives 2023-25	Performance indicators and target dates	Initiatives/projects/key activities	Progress (this is completed annually for purposes of reporting to the CBC Steering Committee)
3. Share capacity development insights and practices and facilitate dialogue on SAI and regional capacity development challenges and opportunities.	1. Sharing lessons learned based on SAIs with current or previous experiences of auditing in complex and challenging contexts, and/or their development partners	<p>The work of the workstream is informed and guided by the experience of SAIs.</p> <p>Number of occasions (i.e., in short write-ups, podcasts, video-clips) in which lessons learned has been shared.</p>	<p>1.1 Identify common issues/needs faced by SAIs working in complex and challenging contexts.</p> <p>1.2 Find relevant solutions/insights/experiences addressing issues/needs identified and share lessons learnt regularly (minimum three per year) in different format (i.e., short write-ups, podcasts, video-clips, or other effective ways identified).</p>	
	2. Creating platforms for SAIs, and their partners, to share experiences and learn from each other.	<p>Number of experiences-sharing events created by the workstream each year and number of participants (2023, 2024, 2025)</p>	<p>2.1 Organizing the ACCC webinar series focused on SAIs experiences and practical examples, followed by discussions (minimum of 3 per year).</p> <p>2.2. Organizing in-depth experience-sharing events between SAIs about challenges, and possible solutions (i.e. online or in-person workshops).</p>	
	3. Developing good practice guidance, tools and/or other supporting material based on the needs of SAIs working in complex and challenging	<p>Number of supporting materials produced by the workstream.</p> <p>Number of downloads of/visits to the material produced.</p>	<p>3.1 Gather information about how current material is used. Explore ways of increasing its usefulness.</p>	

	contexts, considering SAls, their partner organizations, INTOSAI regions, and donors as possible target groups.		3.2 Identify current need of new supporting material and exploring possible contributors as well as ways to develop and present material.
