**INTOSAI STRATEGIC GOAL 2: CAPACITY DEVELOPMENT – Strategic Objective 2.4**

**[KEY 2019-2022 INTOSAI STRATEGIES TO ACHIEVE GOAL 2 AND STRATEGIC OBJECTIVE #2]**

**Progress to date:**
- On 31 May and 1 June 2022 the CBC and IDI convened a successful meeting of the INTOSAI-Regions Coordination Platform for the first time since the Covid-19 pandemic. The participants achieved a deeper and common understanding of the present INTOSAI’s goal 2 landscape and the current develop capacity development needs and priorities to be addressed future.

Moreover, the current and future capacity development initiatives across INTOSAI were mapped in the following six broad focus areas: (i) Competent people, (ii) High quality audits, (iii) High impact audits, (iv) SAI external environment, (v) SAI internal environment, and (vi) Global environment for effective SAI capacity development.

The insights gained from the meeting enabled the development of a first ever Operational Plan for INTOSAI’s Strategic Goal 2 (Capacity Development) for the period 2023-25, as Goal 2’s contribution to supporting the first three years of INTOSAI new strategic plan 2023-28 that was approved by INTOSAI’s Governing Board in November 2022.

**Key next steps / action items:**
- Prepare for the first Regional Forum meeting since the Covid-19 pandemic, to take place in June 2023 on occasion of the CBC meeting in Kingston, Jamaica (including development of a work plan for the RFCD for the period 2023-25).

**Key risk:** None identified
